

GLOBAL PRESENCE

Since our founding in 2020, Fitness Tech has achieved steady growth, allowing us to expand beyond Spain and establish a solid presence in more than eight European countries.

With a forward-looking vision, we remain committed to further expanding our network and bringing the Fitness Tech brand to many more markets around the world.

Fitness Tech is present in:

- **Spain**
- **Portugal**
- **France**
- **Italy**
- **Germany**
- **United Kingdom**
- **Belgium**

**AFTER-SALES
SUPPORT**

At Fitness Tech, we understand that purchasing fitness equipment requires comprehensive and specialised support. That's why we are there every step of the way: from the initial project planning and advice on selecting the equipment, to shipping logistics, professional assembly, and installation and commissioning of each machine at the customer's premises.

Our commitment does not end with delivery. We offer personalised and efficient after-sales service, including technical assistance, issue resolution, and preventive maintenance, thus ensuring maximum performance, durability, and reliability for each product. In this way, we guarantee that every customer will find a long-term strategic partner in Fitness Tech.

SET UP YOUR SPORT CENTER

A close-up, black and white photograph of a piece of gym equipment, likely a leg press or similar machine. The focus is on a black metal handle with a textured grip. A label on the side of the handle reads 'FITNESS TECH' with a logo above it. The background is dark and out of focus, showing other parts of the machine and some bolts.
